

Professional Strip Waxes

Contains anti-inflammatory ingredients to reduce pain

How to use:

1. Heat the wax in a wat pot heater (for Sofeel Strip Wax) or in the microwave (Sofeel Deluxe Strip Wax)
2. Ensure that the temperature is not too hot, and apply to the hair using a waxing spatula
3. Apply a waxing strip on top of the area where the wax was applied
4. Hold the skin tightly and pull the waxing strip off the area to remove the hair
