SAFETY DATA SHEET

Product Code: DISPOCAPG100

PAGE 1 OF 2

SECTION 1 PRODUCT IDENTIFICATION

Not classified as hazardous according to criteria of National Occupational Health & Safety Commission (NOHSC)

PRODUCT

Product Name: Livingstone Disposable Bouffant Hairnet Cap
Description: A range of nonwoven fabric material, manufactured to various specific weights and colours.
Intended Use: Protective Wear

SECTION 2 HAZARD IDENTIFICATION

Hazard Classification: NON-HAZARDOUS AND NON-DANGEROUS MATERIAL
Hazards and Precautions: There are no known chemical or health hazards associated with this material in its manufactured state

SECTION 3 COMPOSITION/INFORMATION ON INGREDIENTS

No Reportable Hazardous Substances or Ingredients in this material.

SECTION 4 FIRST AID MEASURES

First aid is not normally required. The material is non-irritant.

SECTION 5 FIRE FIGHTING MEASURES

Extinguishing Media: Water spray, foam, dry chemical or carbon dioxide (CO₂)
Hazards from Combustion: The material poses no risk of violent reaction or explosion from combustion.
The product will burn if exposed to flame. Products resulting from combustion will comprise of carbon, hydrogen and oxygen, the exact composition depending on conditions of combustion. Use water spray to cool fire exposed surfaces and to protect personnel
Precautions: Appropriate protective clothing should be used

SECTION 6 ACCIDENTAL RELEASE MEASURES

No Reportable Measures required for this material.

SECTION 7 HANDLING AND STORAGE

Avoid storage with oxidizers.
Store away from heat or ignition/naked lights. Keep dry

SECTION 8 EXPOSURE CONTROLS/PERSONAL PROTECTION

No exposure standard has been allocated to this product

Information provided on this document is presented in good faith and believed to be correct based on the best data currently available, Livingstone International makes no representations or warranties, expressed or implied as to the completeness or accuracy of the information. In no event will Livingstone International be liable for any errors or omissions in the information provided herein. Information is supplied upon the condition that any persons or corporate receiving same will make independent determination as to its suitability for their own purposes prior to use, and in no event will Livingstone International be responsible for damages of any nature whatsoever resulting from the use of product or reliance upon information provided. Information is provided on an "as is" basis, no representation or warranties, either expressed or implied of fitness for a particular purpose or of any other nature are made herein with respect to information of the product.

SAFETY DATA SHEET

Product Code: DISPOCAPG100

PAGE 2 OF 2

SECTION 9 PHYSICAL/CHEMICAL PROPERTIES

Appearance: Material may be white or any colour, supplied in piece form at customer specified dimensions
Melting Point: Not applicable
Odour: There is no odour associated with this material when dry
Vapour Pressure: Not applicable
Solubility: The material is not soluble
Flammability: The material will burn if brought into contact with excessive heat or flame

The material content is a combination of cellulosic and synthetic fibres

SECTION 10 STABILITY AND REACTIVITY

This material is chemically stable, however if left soaked with vegetable oils or unsaturated hydrocarbons may slowly auto-oxidise, generate heat, in time smoulder and ignite.

SECTION 11 TOXICOLOGICAL INFORMATION

There are no known potential adverse health effects or symptoms associated with exposure to this material.

SECTION 12 ECOLOGICAL INFORMATION

No reportable information is available relating to environmental impact of this material.

SECTION 13 DISPOSAL CONSIDERATIONS

Waste material should be disposed of in accordance with applicable state or local regulations. This applies to 'as manufactured material'
Material contaminated with oils or unsaturated hydrocarbons should be dampened with water and disposed of in line with safety requirements associated with the contaminant.

SECTION 14 TRANSPORT INFORMATION

There are no special requirements for preparation of this material for transportation.

SECTION 15 REGULATORY INFORMATION

There is no Poisons Schedule Number allocated to this material.

SECTION 16 OTHER INFORMATION

Reason for Revision: To bring to date

END OF SDS
