SAFETY DATA SHEET

Product Code: TBADFM12

PAGE 1 OF 4

SECTION 1 PRODUCT IDENTIFICATION

Product Name: Livingstone Special White Toothbrush
Recommended Use: Toothbrush

SECTION 2 HAZARD IDENTIFICATION

Health Hazard

Inhaled: Inhaled dust from heated material may cause respiratory irritation.
Eye: Vapors from heated material may irritate the eyes.
Skin: Product can be abrasive. Molten/heated material can cause serious burns.

SECTION 3 COMPOSITION/INFORMATION ON INGREDIENTS

Components	CAS Number
Polypropylene	9003-07-4
Nylon 6/12	26098-55-5
Small amounts of colorants, lubricants, stabilizers, and/or additives	-

SECTION 4 FIRST AID MEASURES

Ingestion: Consult a physician.
Eye: Flush eyes with water for at least 15 minutes. Consult a physician.
Skin: If contact with hot/melted material adhered to skin, immediately flush with large amount of cold water. Do not peel hot/melted material adhered to skin. Obtain medical attention.
Inhaled: In case of accidental inhalation of vapors from molten material, remove person to fresh air and monitor. Consult a physician after significant exposure.

Issue Date: 26/10/2000

SECTION 5 FIRE FIGHTING MEASURES

Suitable extinguishing media: Water spray, CO₂, dry powder, alcohol-type or universal type foam.
Special protective precautions and equipment for fire fighters: Provide appropriate exhaust ventilation, mainly in areas where vapors from molten material or dust may occur.

SECTION 6 ACCIDENTAL RELEASE MEASURES

Emergency Procedures: No specific procedures required under normal storage, handling and processing conditions.
Emergency Precautions: Avoid to be polluted or pollute other products and the environment.

SECTION 7 HANDLING AND STORAGE

Conditions for safe storage: Store in a cool dry area. Away from hot sources, fire sources, flammable and incompatible materials.

SECTION 8 EXPOSURE CONTROLS/PERSONAL PROTECTION

Personal protective equipment: Ensure good industrial hygiene practice. Eye: Safety glasses are recommended to prevent particulate matter from entering eyes. Skin: Protective gloves are required when handling hot/molten material. Also wear long sleeve shirt and long pants if handling hot/molten material. Ventilation: Exhaust ventilation to assure that particulate levels are kept at recommended levels. Respirator: None under normal processing, if ventilation is adequate.

SECTION 9 PHYSICAL/CHEMICAL PROPERTIES

Appearance:	Toothbrush
Odor:	Odorless
pH:	Not Applicable
Melting Point:	208-215°C
Boiling Point:	Not Applicable
Solubility in Water:	Insoluble

SECTION 10 STABILITY AND REACTIVITY

Stability: Product is stable under normal conditions of use.

SECTION 11 TOXICOLOGICAL INFORMATION

Health effects from likely routes of exposure: No data available

SECTION 12 ECOLOGICAL INFORMATION

Ecotoxicity:	No data available
Persistence and degradability:	No data available

SECTION 13 DISPOSAL CONSIDERATIONS

Where possible, recycling or incineration with energy recovery is preferred to landfill disposal.
